Northern Light 43-44

What a blessing it was to see so many serving who came to the Fall Training in November. We also had many first time servers throughout the team. The Holy Spirit was ever present in our serving the newcomers and evident in the witnessing of the pilgrims at our Closura Ceremony.

Here are a few comments from our Rectora, Dawn Crandall.

The NL 43 & 44 weekend has been completed. The weekenders have been given the tools to live in total security. We all had a spirit filled weekend with lots of laughter and tears. I know first hand they know the meaning of living Palanca. The gave me living Palanca when I enterd the the room for the final talk. We have amazing new 4th day brothers & sisters in our VDC family. Welcome !

God loves you and so do I. Dawn

Ultreya: 3:00 p.m.April 15th 2018

We welcome you to our next Ultreya. It will be held in **Grace Lutheran Church, 108 West Somo Ave. in Tomahawk, WI.** We will worship and have an annual meeting. **Please bring a dish to pass for the potluck meal.** Also, wear your cross and name tag and bring your green grouping card.

We will vote for new council members. Please come and welcome our newest 4th day following our spring weekend; NL 43-44. You may notice the present council members are listed following our prayer

Rector/Rectora for our fall Vdc weekend

Please welcome Keith Zarm and Jane Deau as our next leaders for Northern Light 45 and 46. They will be at our Ultreya at Grace Lutheran. If you would like to be on team, please come and make your intentions known.

Northern Light 45 and 46

Please pray for our fall weekend and our new rector and rectora; Keith Zarm and Jane Deau. Both members have been faithful followers and dedicated workers for past weekends. The new weekend dates are November 1-4 to be held at Silver Birch Ranch. The camp is located on Sawyer Lake Road in White Lake, WI. Please prayerfully consider writing palanca and praying for our weekenders and team. Again, may the Lord bless you and keep you as you show love and witness in your environments.

Now, with the Easter Season fresh in our minds and our awareness keen of the incredible gift our Heavenly Father has granted us; and the Love expressed to us by the willing persecution and execution of our perfect Lord and Savior; let that love and forgiveness pour out to others as we praise and serve the Lord with our whole heart and soul.

Be the blessing Christ is to all.

Please pray for our newest 4th day members to find groupings to remain in faith and strengthened in Christ.

Kathy Paquette is having bad side effects with her chemo treatments. Please pray for her recovery
